May 4, 2018

Dear Madam/Sir,

I am writing to object to the addition of the suburb of Travancore in the federal seat of Maribyrnong. I object as I believe the proposed amendment will result in a failure to effectively represent the interests of Travancore at a federal level. As an inner city suburb, the needs of Travancore residents more closely align with those of other inner city.

Kind regards,

Johanne Trippas
