

**THE FEDERAL
REDISTRIBUTION
NEW SOUTH WALES**

Comment on suggestion 36

Anthony Wallis

1 page

The electorate of WARRINGAH is an unique area and should be preserved AND/OR EXTENDED.

To do this, **eliminate the electorate of NORTH SYDNEY** which is not unique in any way and use the resultant boundary adjustment to save the electorate of MACKELLAR from threat as well. This will be easily achieved as those two electorates share certain features of population and landscape.

Your faithfully

Anthony Wallis
