To Redistribution Committee of NSW

Suggestion for Federal Electorate of North Sydney

I respectfully suggest that Mosman Municipality be included in North Sydney Federal Electorate.

Reasons:

Shared harbour peninsular landmass and foreshores,
Similar demographics
Similar infrastructure issues such as
Shared public Hospital eg RNSH and Private eg Mater
Schools (private and public)
Public and private transport including freeways and tunnels
Heritage and development pressures.
Environmental concerns

Areas that could be transferred to adjoining electorates to achieve population quota are
Hunters Hill peninsular
Parts of Willoughby electorate

Yours faithfully,

Graham Short
