To Whom It might concern,

I wish to lodge my concerns about any changes to the boundaries or to the Federal Seat of Higgins.

I believe the people of Higgins do not want their seat abolished. Locals want one strong advocate– not have their representation divided amongst five Federal Members of Parliament.

Community groups, not-for profit groups and businesses have reflected these concerns. Abolishing Higgins will fragment our community’s representation in Canberra.

Further to that, Higgins (which fully incorporates a strong community of interest - the local government area of Stonnington City Council) is proud of it’s history as a seat of Prime Ministers and Treasurers.

I would appreciate you reconsidering the move to abolish this proud Seat.

Thank you for your consideration.

Kind regards,

Simone
