Dear Redistribution Committee,

I am writing to you to support the proposed boundaries of the Federal Electoral Division of Holt, as per the proposed redistribution report released on 31 May 2024.

I have lived in the suburb of Hampton Park for over 26 years now. Hampton Park has existed within the division of Holt since 1994 and has been in the division representing the Cranbourne area since 2003.

I was the former President and current Vice-President of the Hampton Park Cricket Club a team that serves over 150 people in the area. As President of the club I worked closely with the current Federal MP for the Division of Holt and believe the club is best served by remaining in the electorate.

Our organisation would strongly opposes any proposal to remove all or parts of Hampton Park from the Division of Holt.

Cranbourne has been the major centre of our community since I can remember and my community has been better represented when represented by an electorate centred on Cranbourne.

I believe that the AEC has made the best choice in the current redistribution by keeping Hampton Park within the Division of Holt.

Thank you for considering my feedback.

Warm regards,

David Watts

Vice-President Hampton Park Cricket Club
