Victorian Redistribution: Chisholm electorate

Once again thank you for the opportunity to have input on the redistribution for Victoria in 2024.

I strongly concur with the objections in which Malvern East remains united in the electorate of Higgins. While I understand the reasoning for the abolition of Higgins, I do find many of the boundaries arbitrary. The exclusion of Malvern East from Belgrave road to Warrigul road is extremely strange and as many independent, non partisan objections pointed out could be easily rectified.

Thank you for your time.
