To whom it may concern,

I support objections that have proposed alternatives which retain the division of Higgins. I highlight the following:

122: Extend Higgins into Oakleigh and abolish Hotham instead

149: Move most of Chisholm into the previous boundary of Higgins

152: Extend Higgins along the Frankston rail line and abolish Hotham instead

235: Extend Higgins into Ashwood-Chadstone and abolish Hotham instead

281: Extend Higgins into Hughesdale and abolish Hotham instead

311: Extend Higgins into Oakleigh/Chadstone and abolish Hotham instead

Many of these have demonstrated that Hotham would be the more natural seat to abolish, rather than the existing Higgins which other objections have shown to be a much more cohesive community of interest.

Thank you for your consideration.
