

Comment on objections 103

Dear commissioners,

Higgins should be retained. I agree with the hundreds of objections that have been lodged to the draft boundaries.

There are other ways to redistribute the eastern suburbs. Objection 10 (James Longford) shows this clearly. Stonnington shouldn't be split 5 ways when Hotham is a better candidate to be abolished.

It would be better to keep Higgins and merge it with enough people from Hotham to meet the requirements.

Thank you.
