To whom it may concern

My name is Michelle de Lima, and I live at [REDACTED].

I am against the redistribution of **Casey** in the Yarra Ranges Shire. I want it to stay the same with no change. Our Federal Member for Casey, Aaron Violi and his team have a solid understanding of the issues, he is connected with community and represents a confident and trusted source of making things happen across Casey.

I firmly believe as a resident and ratepayer in the seat of Casey, the whole of the Yarra Ranges Shire benefits from Federal representation in Casey, given the following:

- Many people in the Yarra Ranges work and live in the surrounding 55 suburbs
- Casey is the gateway connecting the Healesville, Warburton, Yarra Glen, Chirnside, Seville and Yarra Glen and Lilydale together
- Our communities are connected and we share boundaries – people I know live in Yarra Glen and work in Lilydale
- I live in Lilydale and frequent and support local restaurants and wineries in Coldstream
- Casey is socially connected from Chirnside as the entry to Lilydale, connecting us via the Warburton Highway, Melba Highway and Maroondah Highway.

We need to stay as we are and I trust this letter is captured in support of retaining Casey as is, with no change.

Regards

Michelle de Lima
