Suggestions for the 2023-24 Victorian Redistribution

1. For the Bruce electorate: Move Bruce west to include more of Greater Dandenong
2. . Also especially:
 - a) Include Dandenong South Primary School in Bruce
 - b) Move Mulgrave Primary School out of Bruce as it is the only Monash LGA booth in Bruce
 - c) Move Narre Warren North out of Bruce into LaTrobe because of its demographic similarities with Berwick and Harkaway
3. If due to population changes an electorate needs to be removed in the south-east that it should not be Chisholm as this electorate has a good middle eastern suburbs community of interest spanning Box Hill to Glen Waverley
