@OB10 from John Lyon. Given his last name and suggestion im thinking there is a family connection to the person suggested so it might be a little biased. Even if hes not related Lyons is already a division in Tasmania and it would create confusion.

@OB6, OB11, 12, 28 being in a different electorate doesnt mean you cant still travel to Bunbury

in regards to Bullwinkle whilst i agree she is not a native to WA and therefore the name probably doesnt belong in WA. Regarding the people asking for Beard to be considered instead of Bullwinkle. They state her only achievement as dting in ww2 and living within the current boundaries of Bullwinkle which are certain to change over time and no longer include Toodyay

The tribunal should consider someone whose name has association with all of WA like my suggestion of Currie.
