Can I please make a plea - no more honouring sports personalities. They make plenty of money and do not contribute meaningfully to our society. One cannot be a hero on the sports arena, they have saved no lives. We applauded our nurses and careworkers during the covid pandemic because they took great risks to save lives but we don't want to pay them what they deserve. Similarly our emergency first responders, especially our fireys. If an electoral division needs a name choose one from the ranks of nurses, fire-fighters, teachers, doctors, careworkers, etc, but not a sports personality. PLEASE.

Thank you.

Loon Yeang.
